TZ200-II Automatic Labeling Machine with Conveyor

TZ200II automatic labeling machine is with conveyor, it can apply labels in various industries, intelligent, fast and accurate. Support motor control, touch screen operation.

Technical Parameters

Model:	TZ200-II
Power supply:	110v 60hz or 220V 50HZ
Power:	230W
Speed:	0-30pcs/min
Label size:	W:0-200MM, L:50-350MM
Machine Size:	1500*600*1600mm
Weight:	70KGS
