

## Shrink Sleeve Labeling Machine LBL-200

### LBL-200 Type Features

LBL-200 device outer frame made of stainless steel, aspects to improve and optimize the mechanical structure, using the same electrical standard equipment configuration, high quality, low price, make LBL-200 equipment become the production rate of 12,000 bottles / hour customer choice.

### Applicable Variety Types of Casting Label

For round bottle, square bottle, a large bucket of water and so on.

### Electrical Appliance Configuration Specification

LBL-200 standard equipment equivalent PLC, positioning module and servo motor and inverter, touch screen user-friendly operation.

### Machine Specification:

LBL-200	Technical Parameters
Input power	1.5KW
Input voltage	φ3,380/220VAC
Productivity	100-200瓶/分(Bottle/min)
Bottle diameter	Φ28mm -Φ125mm
Label length	30mm-250mm
Label thickness	0.03mm ~ 0.13mm
Paper tube diameter	5"~10"
Equipment size	L2500mm x W900mm x H2100mm
