

## *Jelly Stick Packing Machine*

Automatic Ice Lolly Packing Machine Milk Juice Stick Packaging Machinery, Automatic small vertical liquid jelly pouch stick packing machine: Application > What do you want to pack? widely applied for food, Medicine, hand sanitizer chemical liquid products such as Ketchup, flavoring, Sauce, Pasty, Shampoo, cream, body wash liquid and so on.

### **Product selling point of Jelly stick packing machine:**

- 1) Imported PLC control system and color touching screen enable easy and efficient operation.
- 2) Noiseless stepping motor to improve steady working condition and decrease vibrator and noise.
- 3) Fully food level stainless steel 304 material, ensure packing products keep clean and machine long life-span.
- 4) Imported color mark sensor, accurate cutting positioning, excellent machine performance and beautiful packaging.
- 5) A variety of automatic alarm protection functions are used to minimize losses

**Technical Parameters:**

|                 |                             |
|-----------------|-----------------------------|
| Product Name:   | Liquid packing machine      |
| Filling method: | piston pump                 |
| Bag shap:       | 3 or 4 side sealed          |
| Bag size:       | L40-150mm W15-120mm         |
| Capacity:       | 0-50ml/bag                  |
| Speed:          | 30-60bags/min               |
| Control style:  | PLC control+ English screen |
| Material:       | stainless steel             |
| Voltage:        | 220v/50HZ                   |
| Power:          | 1.3Kw                       |
| Weight:         | 200KG                       |
| Dimension:      | 650*600*1600mm              |
