

## *Fully Automatic Sticker Labeling Machine*

Product Code : 10

We have gained an unrivaled place in the industry with specialization in manufacturing and exporting the Fully Automatic Sticker Labeling Machine. All these machines are integrated using superior quality of components sourced from the certified market vendors. The machines, we offer are extensively used to provide labeling facilities to the containers and boxes. Further, our Fully Automatic Sticker Labeling Machine can also be availed in different capacities and specifications.

### **Features:**

- Long service life
- Easy to use and maintain
- Accuracy in performance

### **Further Details:**

- No change parts for container and label size in standard shaped containers
- Single Point on-line Speed Variation control system
- Machine with bottle separator unit.
- Precise Label Placement Accuracy
- Built In A.C. Freq. Drive System
- Output up to 150 labels per minute.
- Fully Stainless Steel Finish including main machine frame
- Optionally online coding system
- Automatic Double Side Sticker Labeling Machine incorporates latest Microprocessor Controlled Stepper Motor Drive, Fiber Optic Label and Container sensing system.
- Sticker Labeling machines are 100% User Friendly, Virtually Maintenance Free performance.

**Technical Specification:**

Label Height	10mm to 90mm
Label Length	12mm Min
Gap Between 2 Labels	min.3-5 mm
Label Roll Dia	300/400 mm
Core Dia	75/76 mm
Electrical	220VAC single phase Power Supply (50HZ)
Power	1.2KW
Speed	From 60 to 200 Labels per minute depending on Product and label size.
Conveyor Height	800-850 mm
Conveyor Length	1500-1800 mm
Frame size	930mm(L), 530 mm(W), 930 mm Width with Applicator
