

WF-series Spice Grinding Machine

WF Series stainless steel spice grinding machine (spice pulverize machine) mainly used to grind various spices and condiment, such as: chili, ginger, garlic, turmeric, pepper, salt, sugar, etc. It also suitable for chemical industry, medicine, food, resin powder, grain seeds, be-powder and different kinds of materials. Our prices are competitive.

Features

1. It is made of 304 stainless steel, and there is no dust problem in the processing process, which completely conforms to the health standards of various industries.
2. Crushing fineness: 12-120 mesh (adjustable)
3. Simple structure in linear type, easy in installation and maintation.
4. With water cooling jacket around grind chamber
5. Adopting advanced world famous brand components in pneumatic parts, electric parts, and operation parts.
6. We have different kinds of the knife to let you choose different kinds of material.

Technical Specifications

Model	WF-180	WF-20B	WF-30B	WF-40B
Capacity (kg/h)	5-30	60-150	100-300	160-800
Spindle rotation speed (r/min)	5300	4600	3800	3400
Feeding granularity (mm)	≤6	≤6	≤10	≤12
Crushing granularity (mesh)	12-120	12-120	12-120	12-120
Crushing motor (kw)	2.2	4	7.5	11
Dimensions (mm)	520x510x1000	650x570x1240	700x670x1370	900x800x1550

Model	WF-50B	WF-60B	WF-80B	WF-100B
Capacity (kg/h)	300-1500	400-2000	500-2500	600-3000
Spindle rotation speed (r/min)	2900	2300	1800	1400
Feeding granularity (mm)	≤15	≤15	≤20	≤20
Crushing granularity (mesh)	12-120	12-120	12-120	12-120
Crushing motor (kw)	18.5	22	30	45
Dimensions (mm)	1150x850x1900	1250x950x2150	1400x1100x2250	1500x1300x2400
