

Automatic Intermittent Side Sealing Machine ZF-BJ400

ZF-BJ400 intermittent sealing shrink packaging machine suitable for long product packaging, up to 50 packages per minute, suitable for various industries of heat shrinkable film packaging products packaging solutions.

Features:

1. There is no length limit for packaged products.
2. The sealing line can be adjusted in the middle of the product as required to achieve the best sealing and cutting effect.
3. The speed of the conveyor belt can be adjusted according to different production needs.

Specification

Model:	ZF-BJ400
Machine size L*W*H(mm):	1800*940*1670
Sealing blade size L(mm):	400
Product size range L*W*H(mm):	(100-1000)*(50-320)*(5-120)
Power supply:	1P/220V/50HZ/1.3KW
Net weight:	530KG
