

Multi-Track Side Sealing Long Strip Liquid Packing Machine LD-480YL

Application:

Suitable for Long Strip liquid side sealing packaging, such as ice lollies, juice, water, drink, milk, watermelon, shampoo, ketchup, jelly, sauce, etc.

Kindly Reminder:

We have experienced team of R & D engineers who can customize packaging solutions according to your product characteristics.

Description:

Famous brand PLC control system, large touch screen, convenient to operate;
Advanced design, high precision and fast speed;
No film alarm, saving materials and no wasting film;
Photoelectric tracking system for precise bag length and position of film
Can equip with liquid conveyor to conveyor the liquid from bottom to the top pump on the machine.
Can make one line one favor/color drink, if needs.
Machine case is made of 304 stainless steel, which is more good for food.

Parameter:

Model	LD-480YL
Lane number	4--6lanes
Packed item	Liquid
Capacity	10--40bags/lane/min
Measuring method	Measuring pump
Bags size	Length:120--400 mm Width:35--60 mm

Film width	Max.480mm
Film thickness	0.05--0.10mm
Sealing type	4 side sealing
Cutting type	Flat cutting
Printer type	Ribbon stamp printer or Hot stamping date coder (please noted before order)
Film material	Laminated film,like PET/PE,OPP/PE,NY/PE.etc.
Air consumption	0.8Mpa 0.8m3/min
Power source	1N+PE/50HZ/AC220V/4.5KW (please noted before order)
Dimension	L1555 x W1686x H2800mm
