

BVL-520 Vertical Pillow Bag Packing Machine

BVL-520 is specially designed for large vertical bags and gusset pillow bags. The bag size, filling volume, etc. can be changed according to customer needs. It is simple and easy to operate. It adopts a servo film pulling system, which operates stably and reliably and avoids film misalignment. Phenomenon, it can package granules such as cereals, sugar, salt, etc., as well as powders such as milk powder and meal replacement powder.

Technical Parameters

Model	Pouch Length	Pouch Width	Packaging Capacity	Powder
BVL-420	80-300mm	80-200mm	25-60PPm	3.0KW
BVL-520	100-350mm	80-250mm	25-60ppm	5.0KW
BVL-620	100-400mm	100-300mm	25-60ppm	4.0KW
BVL-720	100-450mm	100-350mm	25-60ppm	3.0KW

Model	Air Consumption	Weight	Machine Dimensions(L*W*H)
BVL-420	6-8kg/m ³	500kg	1650*1300*1700mm
BVL-520	6-8kg/m ³	700kg	1350*1800*1700mm
BVL-620	6-10kg/m ³	800kg	1350*1800*1700mm
BVL-720	6-8kg/m ³	900kg	1650*1800*1700mm
