

## ***BZ023 Automatic paste honey packaging machine***

Fully automatic honey ketchup paste packaging machine, which can pack viscous pastes such as ketchup, honey, etc. The packaging is tightly packed, with a drip-proof design, without wasting every drop of paste, and with an air compressor, it can increase the packaging quantity.

This machine is a fully automatic packaging machine, which can greatly save labor. You only need to pour your materials into the hopper, and the machine can perform packaging and accurate weighing. The whole machine can be made of 316 or 304 stainless steel, using advanced Air compression technology greatly improves the packaging efficiency, and the machine has a longer service life. We can provide one-year warranty service, video support, installation support, and after-sales support.

### **Technical Parameters**
