

Carton Sealer CES4035N

Vertical storage is adopted for storing carton blanks, for which carton blanks can be added at any time without stopping the machine; it's suitable for forming and sealing cartons of the same size. If carton size need to be changed, the operator should adjust the machine manually (finishing in 2-3minutes); It's rationally designed so that the forming, folding and sealing process are accomplished simultaneously; All the parts are precise and durable, without causing any vibration in running. Running steadily with long life; Light in weight, high performance and speed.

Specifications:

Model	CES4035N
Carton Size	L220-500/W150-400/H100-350mm
Table height	H=650mm
Speed	≤10 box/min
Dimension	L2050×W1950×H1400mm
Power supply	220V/380V 50/60HZ
Air source	>500L/min、0.4~0.8 Mpa
Tape	W48mm-W60-75mm×L1000
Machine weight	NW-320kg GW-350kg
