GOLDEN LIN

Front & Back Labeler GDL-001

For the specific demand labeled two-sidedly, GDL-001 represents its characteristic of elasticity and apting to adjust. Although the speed is not as fast as round bottle labeling machine, the function makes it approach perfectly. Adding date coder and round bottle labeler is certainly dispensable.

Specifications:

Model	GDL-001
Dimension	L1987*W1288*H1583mm
Capacity	40-100pcs/minutes (depending on bottle dimension and label size)
Product width	20-125mm (1/2"-5")
