

## Automatic Powder Filler Machine (Small vertical 100/160)

Packing, filling, metering, sealing, filling, multifunctional packaging machine, coding, spraying, barcode recognition, printing.

### Application:

Washing powder, meal replacement powder, brown sugar powder, Chinese medicine powder, beverages, foot bath powder, etc.

### Technical Parameter:

Model	Small vertical100	Small vertical160
Roll film width	Max.220mm	Max.300mm
Film thickness	5-15C	5-15C
Bag shape	Back seal/three-side seal/four-side seal	Back seal/three-side seal/four-side seal
Equipment power	1.2KW	1.2KW
Power Specifications	220V/50Hz,60Hz	220V/50Hz,60Hz
Packaging speed	25-70bag/min	25-70bag/min
Bag size	100*180mm	150*250mm
Weighing range	< 100g	< 500g
Type of incision	Tooth incision/circular incision/flat incision	Tooth incision/fine tooth incision
Machine size	L900*W800*H1840mm	L1200*W950*H1760mm
