

Product Discharge Conveyor Series 35

Overview:

- Capable of performing high speed transportation of goods.
- Able to transport various type of medium or huge weights and various type of packaging of goods.
- Compatibility to operate together with all of packaging machine, with just plug and play.
- Reliability and durable, able to operate longer lasting with non-stop.
- Machine built with high quality parts, in result of high performance and less maintenance.

Technical Specification:

Model	HSY-CVY-35188
Material (Structure)	Stainless Steel 304 and Anti-Corodal Aluminum
Height support	560mm
Belt dimension	width 356mm x length 1880mm
Adjustable position	horizontal; 35degree tilted
Belt material	Polyvinylchloride (PVC); Jink wave (sine wave) structure; Adhesive
Electrical requirement	3PH; 415V; 50HZ
Motor drive output	0.37 kw
Rpm	1375
Other features	-
