

GOLDEN LIN

Tabletop round Labeler GRL-001

GRL-001 was released under this restricted environment. Due to the high spatial cost, this round labeling machine merges most functions of GRL-002. The volume reduces 60%, but productivity only reduces 20%. It is a great breakthrough to economize on customers cost. This machine also can install the our date coding machine and preforms the greatest efficiency

Specifications:

Model	GRL-001
Dimension	L1234*W839*H500mm
Capacity	20-60pcs/minutes (depending on bottle dimension and label size)
Bottle Size	Diameter 16-90mm, Height 30-160mm
Label	Length 20-300mm, width 10-100mm
Label Reel	Standard inner 75mm Max outer 300mm
Accuracy	+/-1mm
Power required	110V or 220V
