

## HU-82CR Single Side Automatic Labeling Machine

Single side automatic labeling machine is widely used in food, toys, daily chemicals, electronics, medicine, hardware, plastics, printing and other industries; such as shampoo flat bottles, cosmetic flat bottles, packaging boxes and other side labeling.

### Features:

1. It adopts standard PLC+ touch screen + standard sensor electronic control system control, easy to use and easy to maintain;
2. Human-computer interaction interface English comment and perfect fault prompt function, operation teaching function, troubleshooting instructions;
3. With fault alarm function, production counting function, power saving function;
4. With no object to label, no standard automatic correction and automatic detection.

### Technical Parameters:

Model	HU-82CR
Labeling speed	0-20 m / min
Workpiece thickness	25 to 120 mm (accept customized)
Label length	15 to 150 mm
Paper roll inner diameter	76mm
Paper roll outer diameter	300mm
Labeling accuracy	±1 mm
Workpiece height	50-320 mm (accept customized)
Label height	20 to 150 mm
Operating Voltage	220V 50/60Hz 1500W
Dimension	2000 × 1100 × 1650 mm (length × width × height)
Total Weight	200Kg
