- Specially designed for powder product.
- Dust proof design, prevents products form contaminants.
- Hoppers are directly driven by stepper motor, reliable and less noise.
- No tools are needed to removed to remove product contact parts
- Easy and quick, save time for product change over and wash down.

Technical Dates:

Model	MS-6A
Weighing Range	5-500g
Volume of hopper	0.6L
Maximum speed	70WPM
Number of heads	6Heads
Accuracy	0.3-1.0g
Minimum graduation	0.1g
Protection grade	IP50
Monitor	10.4 inch color TFT LCD
Operation method	Touch screen
Preset memory	Maximum 100 products
Combination & discharge method	Single/double cycle
Power supply	200-240VAC 50/60HZ,Single phase
Power	1200W
Operation temperature	0--45°C
Net Weight	300Kg
Overall Dimension	868*816*1276mm
