

High Speed Auto Carton Packaging Machine

High speed auto carton packaging machine for milk powder pouch is the newest model which is our company further improved on the basis of advanced technologies at home and abroad. It is the high-tech product which integrates electricity, gas, light. The product is suitable for cartooning the pharmaceutical products, Foods, and cosmetic, poker, electronic and daily products and so on. The machine can finish automatically all jobs such as leaflet folding, carton opening automatically, the stuff cartooned, batch number printing, carton sealing and so on (also can use hot melt glue). High speed auto carton packaging machine for milk powder pouch can be used alone, or be linked with the other device, to be a production line.

Feature:

1. The machine can replace the workload of 15-20 workers.
2. PLC automatic control system. Frequency control. Electrical components are internationally renowned brands.
3. Photoelectric monitor various parts of the operation, abnormal operation appears to show certain parts, and can automatically shut down in order to exclude.
4. Can automatically remove missing packaging or lack of specification of packaging.
5. If the lack thereof version, manual, paper will stop feeding.
6. High speed auto carton packaging machine for milk powder pouches Stable performance, easy operation.

Technical Parameters:

Encasing speed		30-70boxes/min
Box	Quality requirement	250-450g/m ² (according to its dimensions to confirm)
	Dimension range (L×W×H)	(50-220)mm×(35-80)mm×(35-80)mm
Compressed air	Working pressure	≥0.6mpa
	Air consumption	20m ³ /h
Power supply		380V 50HZ
Motor power		1.5kw
Machine dimension (L×W×H)		3300×1350×1650mm
Machine weight		1200kg
