

## VFFS Stick Pack Bagger VL60

### Technical advantage

One machine two formers, max packing speed 180bags/min, save costs;  
Over90%spare parts made of high quality stainless steel and the electrical components are adopted;  
World amous band makes the machine work stable, olw maintenance;  
Advanced correction system meet the needs of different bag type;  
The vertical \* horizontal sealer is easy to adjust;  
Servo film pulling system is fast with reliable performance;  
The upgrade former is lightweight design, essy to install, first-class workmanship;  
It is very easy to install the packing film by the simple film structure.

### Technical Parameters:

Model	CB-VL60
Max packing speed	20-30bags/min per line
Bag size	(L)50-290mm(W)50-180mm
Max film width	200*600mm
Weigh Range	1-20g
Voltage	5.5KW 220V 50/60Hz
Dimension	(L)15000*(W)420(H)1710mm
Weight	800kg
