

Y-X4 4 Head Linear Weigher Weighing Machine

Y-X4 4 head linear weigher weighing machine compared with similar products on the market, it has incomparable outstanding advantages in terms of performance, quality, appearance, etc., and enjoys a good reputation in the market. Weibang summarizes the defects of past products, and continuously improves them. The specifications of Y-X4 4 head linear weigher weighing machine can be customized according to your needs.

This machine is suitable for the quantitative weighing of white sugar, salt, seeds, rice, sesame, monosodium glutamate, chicken essence, milk powder, coffee, seasoning powder, etc.

1. PLC control system, color touch screen display.
2. It can weigh a variety of different materials at the same time to realize mixed material packaging.
3. The stepless vibration feeding system is adopted to make the material more uniform and the weighing range wider.
4. Remote monitoring and tracking of the machine can be realized through the Internet.
5. Parts in contact with materials (storage hopper, vibrating disc, weighing bucket, etc.) can be quickly disassembled and cleaned conveniently.
6. The machine is made of stainless steel, clean and sanitary, and meets GMP requirements.

Technical parameters:

Model	YB-X4
Weighing range	20g -2000g
Weighing accuracy	0.2-2g
Weighing speed	10-60 time/min
Max weighing volume	3000ml
Parameter preset number	20
Max material types	4
Power	800 W
Power supply	1ph 220V, 50/60Hz
Machine dimension	L1010 × W960 × H1200mm
Machine weight	200kg
