

Flat Labeling Machine With Instant Printing Function

This newest labeling machine features many advantages, high speed, high precision, and easy to operate

Full automatic processing provided by PLC control and fast labelling speed to save your precious time, avoiding waste which is caused by manual labeling mistake

Feature:

- Bottle labelers enable the user to label all kinds of cylindrical objects.
- High accuracy and high speed, dispensing & labeling automatically.
- The complete operation is PLC based.
- Can be widely used in various vertical round bottles. Suitable for small production.
- Label head servo motor
- Emergency safety Off button bottle labelers enable the user to label all kinds of cylindrical objects.
- High accuracy and high speed, dispensing & labeling automatically.

Product Specification:

Parameter	Description
Max producing speed	3000-5500BPH, based on your product
Conveyor speed	0~20m/min, can be adjusted
Labeling accuracy	±1mm
Label max width	200mm
Label max length	280mm
Machine weight	400KG
Bottle max thickness	130mm

Bottle min height	120mm
Bottle max height	400mm
Label inner diameter	φ76mm
Label outer diameter	φ400mm
(LxWxH) Machine size	3000×1450×1600 (mm)
Power	220V 50~60Hz can be modified base on your local voltage and plug
