

GS-720 Large Vertical Automatic Packing Machine

It is suitable for packing fragile bulk products with requirement of high counting precision, such as: puffed food, potato chip, crispy rice, jelly, candy, happy fruit, apple chip, boiled dumpling, rice dumpling and medicine, etc.

Main performance and structural features

- 1) Automatically complete all the process from feeding, counting, filling and bag making, date printing to finished products outputting.
- 2) High counting precision and efficiency without crashing material.

Technical Parameters:

Model	GS-720
Packing speed	10-60 bag/min
Bag size	(L)80-400mm (W)80-350mm
Bag making mode	Pillow-type bag, standing bag, punching device
Range of measuring	5000ml(most)
The maximum width of packing film	400mm(diameter)
Air consumption	0.8Mpa300L/min
Main power/voltage	4KW/220V
Dimension	(L)1430×(W)1400×(H)1600mm
The weight of switchboard	780kg
