

VFFS Stick Pack Bagger VL80

Technical advantages

- Newly design with high accuracy, high speed and high efficiency.
- Famous brand PLC control system, large touch screen; With counting automatically to ensure the machine working stably and low maintenance.
- Turning touch sensitive screen, also can adjust height, more humanized appearance design.
- Horizontal sealing jaws to put the bag with photocell to track it, ensure the fast speed and more smoothly.
- The main components with stainless steel, corrosion resistance, to adapt different environments of workshop.
- The machine adopts module structure design to meet individual needs of customers.
- Bag type: three sides sealing or stick bag.

Technical Parameters:

Model	CB-VL80
Max packing speed	40bags/min per line
Bag size	(L)60-200mm(W)35-100mm
Max film width	400*800mm
Bag type	3 side seal, punching bags, chain bags
Film thickness	0.04-0.09mm
Air consumption	0.8ps 0.7m ³ /min
Power supply	6.2KW 220V 50Hz/60Hz
Dimension	(L)2200*(W)1460(H)1800mm
Weight	700kg
