

3-10 Ltr PET Bottle Full Auto Blow Moulding Machine

Suitable for all shapes of PET plastic bottles, widely used to produce the carbonated bottle, mineral water, pesticide bottle oil bottle cosmetics, wide-mouth bottle and hot fill bottle etc

3-10L full automatic is a new generation machine with innovation applied, convenient operation, nonstop production, less space need, high efficiency, lower consumption, customized by all detail requirement. Suitable for carbonated drink bottles, gas beverage bottles, pure water bottles, mineral water bottles, juice beverage bottles, cosmetic bottles, large diameter bottles, high temperature resistant bottles and other packaging containers of any shape.

Technical Parameters

Type	RM-5000	
Output	According to bottle type	1000PCS/H
Product specification	Bottle Maximum diameter	180mm
	Bottle Maximum height	360mm
	Bottle mouth diameter	70mm
Mold	Cavities	2cavities
	Mold thickness	200mm
	Mold effective area	500*500mm
Main power	Power	40KW
	Heating power	36kw
Air source	Low pressure air compressor	2000ltr/min
	High pressure air compressor	4000ltr/min
	blow pressure	20-30 Kg/cm ²
Cooling water	Cooling water quantity	300L/min
Main machine size	Length width height/weight	2350*1950*2200mm/3500kg
Preform loader size	Length width height/weight	2200*1350*2450mm/450kg
