AUTO SIDE LOADING CASE FILLING MACHINE			
Noise Level	< 70DB		
Proper Bag's size	Length≤550 mm	Width≤520 mm	Height≤600 mm
Mechanical	Pneumatic system		
Packing pattern	Single row and double row		
Speed	70 bags/min		
Machine weight	750kg		
Control system	PLC		
Control switch	Touch panel		
Power supply	380VAC±5% 50Hz		
Power	3 KW		
Air pressure	0.6MPa		
Air consuming	≥0.45m ³ /min
