

PB-600 Automatic Paper Box Erecting Forming Machine

PB-600 automatic paper box erecting forming machine is designed to erect and form paper box like hamburger box, take-out box, food tray, lunch box, French fries box, noodle box, hot dog box, etc. This machine is versatile and can form different types of boxes.

Features:

- Feed paper cards, dispense adhesive, form paper box, output and stack box automatically.
- Reliable electrical equipment with famous international brands like Siemens, Schneider, Omron, Delta.
- Can use cardboard, PE coated paper, kraft paper, corrugated paper.
- Can form various kinds of boxes.

Technical Data:

Model	PB-600
Packing capacity	60-160 pcs/min
Paper material	200-600 g/sqm cardboard, PE coated paper, kraft paper, corrugated paper (max. thickness 1.5mm)
Paper size	100-450 (L) x 100-580 (W) mm
Box height	15-200mm
Power	380V 50/60Hz 3phase
Power consumption	5.5 kw
Air pressure	0.5Mpa
Air consumption	0.3 cbm/min
Machine dimension	2950 (L) x 1320 (W) x 1500 (H) mm
Machine weight	2200 kg
