

Automatic Pet Bottle Machine MTBM-2LH

Automatic Pet Bottle Machine /Pet Bottle Blowing Machine are widely used in all kinds of bottle for water, beverage, fruit and medical industries. Including water bottle, CSD bottle, Hot-filling bottle, medicine bottle, wine bottle and so on

The main feature of Automatic CSD Pet Bottle Machine /Pet Bottle Blowing Machine is highly efficient, stable, and reliable, less cost, less energy-consumption, reducing noise.

You can Benefit from this features of equipment:

- Suitable for wide-range bottle type with adjustable lamp, including water bottle, CSD bottle, Hot-filling bottle, medicine bottle, wine bottle and so on
- Hydraulic driver and high pressure clamping compensation device to make sure that the equipment running reliable. so you don't need to worry about if it stable or not.
- Integrated design for model conversion, operation and maintenance, you don't need to worry about the room space problem for equipment.
- Upgraded the power efficiency to enlarge heating efficiency and Short pitch design to reduce energy consumption for 5-10%, so you don't need to worry about high cost of electricity power.
- Air recovery system to reduce air consumption for 25-30%, so you don't need to worry about high cost of air.
- Highly Automatic PLC controller, convenient to operate with microcomputer touch screen. user friendly human interface.
- Highly precise control for blowing processing to reduce the weight of bottle, so it reduces the running cost of bottle blowing.

Specification:

Model		MTBM-2LH	MTBM-4LH	MTBM-6H	MTBM-6LH
Molding	Clamping force(KGF)	16000	48000	48000	60000
	Clamping stroke(mm)	130	130	130	130
	Max stretching stroke(mm)	320	320	260	320
	Bottom stroke(mm)	50	50	50	50
	Cavity pitch(mm)	114.3	114.3	76.2	114.3
	Cavities	2	4	6	6
	Theoretical output(BPH)	1000	2000	3000	3000
Machine	Dimension(M)	3*2.2*2.5	4*2.2*2.5	4*2.2*2.5	5.4*2.2*2.5
	Weight(Ton)	3	6.5	6.5	8
