

Automatic Candy Feeding Pillow Wrapping Machine FW-380

Suitable for chocolate and waffle wrapping in pillow bag.
Perfectly works with multiple types of chocolate, waffle like rectangle type, square type, round type etc.

Principal Features:

- Special design delivers chocolate firmly and fast to the wrapping process.
- Using servo motor in film sending, more stable.
- Feeding conveyor can make chocolates in line and send to wrap.
- Steady speed control by frequency conversion.

Note: Above parameters are able to be customized properly as requests
