

KD-180 Auto Packaging Machine

The machine adopts a series of more function bag-making in three sides cutting packaging machine. According to sealing different, it is to extend packaging granular, liquid, sauce, powder machine features' 180,180Y, 180J, 180F. It is suitable 30-300ml products automatic packaging.

Features:

All the work of bag-making, measure Fing, filling, sealing, cutting ,and photo sensor it can be used with ink date printing machine packing materials PT/PE BOPP/PE, AL/PE and other hearable sealed laminates films etc

技术参数 (Technical Specificaions)

性能 Function	型号 Type	180
制袋尺寸 Bag size		长 (L) : 80-180 (mm) 宽 (W) : 50-140 (mm)
包装速度 Capaity		20-60袋/分 (bags/min)
计量范围 Filling Range		30-300 (ml)
电 源 Power		220V、1.8KW
整机重量 Weight		300 (Kg)
外型尺寸 Dimension(L×W×H)		1000×800×2000 (mm)
