

## *TLB-2400D Compact Container Bottom Labeling Machine*

**Target Products:** Compact powder container bottom labeling

**Features:**

1. Servo control label conveying to ensure accurate positioning
2. The labeling position can be adjusted freely
3. Transparent label detection sensor as option.
4.  $\pm 0.5\text{mm}$  Label accuracy  $\pm 0.5\text{mm}$

**Specification:**

- Voltage: AC220V/50Hz
- Power: 1.5kw
- Compressed air: 0.6-0.8Mpa
- Output: 30-40 pcs/min
