

## *MIC MY-60K Granule Packing Machine*

This packaging machine is a versatile solution tailored for loose, non-cohesive granule products commonly found in pharmaceutical and chemical industries. Whether it's soup mix, coffee, instant drink mix, desiccants, monosodium glutamate, sugar, salt, or cereals, this machine handles them all with ease.

### **Here's what sets it apart:**

**Full Automation:** From bag forming to measuring, filling, sealing, counting, and date code printing, every step is seamlessly automated, ensuring efficiency throughout the packaging process.

**Customizable Systems:** Adaptability is key. Whether you need a photoelectric and tracing system or a computer system, this machine can be tailored to meet your specific production requirements.

**Precision Control:** The PLC controller offers precise control over bag length, output alarms, speed, and quantity adjustments, empowering operators to fine-tune parameters for optimal performance.

**Code Printing Capability:** Customize packaging with production and expiry dates using the optional code printer, meeting regulatory and labeling needs effortlessly.

**Logo Cutting Precision:** The Eye Mark System ensures accurate logo cutting, adding a professional touch to your packaging and reinforcing brand identity.

**Automatic Stop Feature:** No film? No problem. The machine automatically halts when film runs out, minimizing downtime and maximizing productivity.

**High-Quality Packaging:** Experience low-noise operation, clear sealing texture, and robust sealing performance, guaranteeing consistently high-quality packaging output.

**Bonus Options:** Enjoy straight-line easy tearing and emboss code features as complimentary options, providing added versatility and customization to your packaging.

## Parameter

<b>Model</b>	<b>MY-60K(normal type)</b>	<b>MY-60K(pneumatic type high speed)</b>
Capacity	30-60 bags/min	60-100 bags/min
Range of measurement	1-50ML(need change cup)	1-20ML(need change cup)
Accuracy percent	<u>2%</u>	<u>2%</u>
Bag size	(L)20-145 (W)15-100mm	(L)20-145 (W)15-100mm
Sealing Type	3 or 4 side sealing	3 or 4 side sealing
Power	1180W	1180W
Total power	380V/50HZ 220V/50-60HZ	380V/50HZ 220V/50-60HZ
Packing material	Paper/the polyethylene, nylon/polyethylene, tea filter paper, etc	Paper/the polyethylene, nylon/polyethylene, tea filter paper, etc
Net weight	230kg	230kg
Overall dimensions	(L)800*(W)800*(H)1700mm	(L)800*(W)800*(H)1700mm
