

## *HP180S/300S (2) Standup Pouch Packing Machine*

### **Applications:**

Sachet pack for

Powder: milk powder, protein powder

Granule: pet food, snack food etc

Liquid & paste: lotion, liquid detergent, drink, lotion, shampoo

Typical Packaging Application:

-high production of pouch

-connect with vffs packer for huge quantities package

-connect with carton packer for big box package

-connect with case packer for carton package

### **Features:**

1. High quality design, high efficiency, low wastage
2. Perfect packaging outlook, plenty pack solution experience
3. Easy operation with high automatic control
4. Full safety consideration & protection
5. High integration with PLC control and HMI
6. High speed, precise and environment protective packing

## Technical Dates:

Model	HP180S	HP300S	HP360S-2
Pouch Type	Standup pouch, stand zipper pouch, stand spout pouch		
Pouch Size	W60-180mm	W180-300mm	W90-180mm
	H90-28mm	H250-420mm	H120-280mm
Max Volume	1500ml	6000ml	1500ml
Max Speed	60ppm	60ppm	120ppm
Filling Station	2	2	2
Total Power	8Kw	20Kw	25Kw
Voltage	3phase, 380v, 50hz	3phase, 380v, 50hz	3phase, 380v, 50hz
Air Pressure	0.6Mpa	0.6Mpa	0.6Mpa
Air Consumption	400L/min	800L/min	1000L/min
Machine Weight	3500kg	4300kg	6000kg
Machine Size	6000x1300x1450mm	9000x1447x1465mm	10770x1300x1450mm
