

## Candy Pillow Wrapping Machine BP-1004

- Bygone are the days and ways of wrapping up Candy with twisted wraps, now pillow wrapping Machine is here.
- Pillow packs are not only hygienic but also keep the candy & other products fresh for longer time. And apart from this, pillow packs are practically impossible to imitate.
- It's the age of pillow packs. Go ahead and give your Candy, Gum-ball, Chewing gum, Ayurvedic-drops and similar other products that need a better image & longer shelf-life
