

TODAY MACHINE

Simple & Responsible Since 2001

Continuous Roller Packaging Machine VFFS-LC/LA/LL/LP

Grain, Powder, Liquid, Paste/Sauce

Standard:

- High speed, high precision
- Super Easy to use and maintain
- Wide adjustable bag length, super easy and stable
- Photo sensor adjusts the bag size within 3 bags with automatic calibration system
- Double inverters, stable and reliable
- Zero maintenance
- Seal tight, low noise
- Option: Date/batch printer
