

APC-12 Automatic Tablet Counting Machine

This pharmacy tablet counter is the important equipment for the production line of vial solid preparations. It is used for counting and split charging of the tablet including the shaped tablet, hard capsule, soft capsule (various shapes, transparent, nontransparent) and pill. It is able to combine with the vial distributing machine, paper stuffing machine, desiccant inserter, cap screwing machine, electromagnetic induction foil-sealing machine and self-adherence labeling machine to form full-automatic high-speed bottled production line. It has been widely used in the industries such as pharmacy, food, chemical engineering, etc., It is fully conforming to GMP certification requirements.

Features:

- Strong compatibility, APC-12 Automatic Tablet Counting Machine can count and bottle various kind of solid preparation or solid granules for example, tablet (including heteromorphic tablet), capsule, soft capsule (transparent and non-transparent), pill etc.
- Vibration cutting: 12 channel vibration under homogeneous materials, unique patent agencies blanking, turning out material is steady, no damage
- Anti high dust: Adopting the anti-high dust photoelectric sensing technology only developed by our company, it also can work stably under the high dust circumstance.
- Correct counting: With automatic photoelectric sensor counting, the error of bottling is less than nation standard
- Special structure of the discharge spout, can prevent blocking drugs, small bottle can fast bottling (optional)
- High intelligence: APC-12 Automatic Tablet Counting Machine has various alarm and control functions like no bottle no count, check fault automatically and so on.
- High intelligence: APC-12 Automatic Tablet Counting Machine has various alarm and control functions like no bottle no count, check fault automatically and so on
- Easy operation: Adopting intellectualized design, all kinds of operation data can be set according to the requirement. It can store 10 groups of setting parameters for use.

- Convenient maintenance: After simple training, the worker can operate easily. It is easy to disassembly, clean and change the components without any tools.
- Sealing and dustproof: Dust collection box is available; it can reduce the dust pollution. (Optional)

Technical Parameters:

Model	APC-8A	APC-12A	APC-16A	APC-24A
	APC-8B	APC-12B	APC-16B	APC-24B
Applicable	Model A:0~5#capsule, soft capsule, Φ 5.5~12 normal tablets, special shape tablets, coating tablets			
	Model B:00~5#capsule, soft capsule, Φ 22normal tablets, special shape tablets, coating tablets, Φ 3~20 pills			
Capacity	10-30BMP	20-40BMP	20-80BMP	20-90BMP
Working range	Adjust from 2-9999 per bottle			
Power supply	220V/50HZ/0.6KW	220V/50HZ/0.8KW	220V/50HZ/01.2KW	220V/50HZ/1.5KW
