

Tamper Proof Box Labeling Machine MT-905

Application

- Label Adhesive Paper Sticker to box and carton or objects with right-angled edges
- Widely used in food industries, provide solutions for the packaging line
- Products Applicable: box, carton, squat bottle and similar products
- Labels Applicable: adhesive paper sticker

Features

- Labeling machine produced accordance with CE certificated.
- Automatic Labeling, specially designed for sealing box and carton
- Easy to operate, labeling controlled by PLC and touch screen.
- Labeling Steadily, strong S/S frame construction
- No products, no labeling, Labeling Accuracy is high.
- Work independently or connected to a production line.

Options Function

- Coder Printer to print batch number, production date, expiry date and so on on the label when labeling.
- Sensors for Transparent Labels

Technical Parameters

| | |
|---------------------|--------------------------------------------------------------------------------------------------------|
| Speed | 1500-3000 bph (related to product size) |
| Labeling accuracy | +/- 1mm |
| Products applicable | 20mm<H<320mm, L>20mm, 20mm<W<150mm (customizable) |
| Labels applicable | adhesive stickers/opaque or transparent 10mm<W<200mm, L>10mm Customize machine for bigger labels |
| Power supply | 220V 50hz 2kw |
| Application | stick labels on box and carton or objects with right-angled edges |
| Air supply | 0.6MPa(If with a code printer) |
| Feature | PLC, Touch Screen, high speed |
