

HP180Z/270Z Pouch Packing Machine

Applications:

Sachet pack for

Powder: milk powder, medicine powder

Granule: candy, gum, food

Typical Packaging Application:

- high production of pouch
- connect with vffs packer for huge quantities package
- connect with carton packer for big box package
- connect with case packer for carton package

Features:

1. High quality design, high efficiency, low wastage
2. Perfect packaging outlook, plenty pack solution experience
3. Easy operation with high automatic control
4. Full safety consideration & protection
5. High integration with PLC control and HMI
6. High speed, precise and environment protective packing

Technical Dates:

Model	HP180Z	HP270Z
Pouch Type	Zipper pouch	Zipper pouch
Pouch Size	W60-180mm, H80-220mm	W60-135mm, H80-180mm
Max Volume	300ml	160ml
Max Speed	60ppm	120ppm
Filling Station	2	2
Total Power	9Kw	9Kw
Voltage	3phase, 380v, 50hz	3phase, 380v, 50hz
Air Pressure	0.6Mpa	0.6Mpa
Air Consumption	400L/min	400L/min
Machine Weight	2000kg	2000kg
Machine Size	5200x970x1360mm	5200x970x1360mm
