## *Instant Coffee Bag Packing Machine KST-300BF*

### **Application:**

◆ Widely used to pack various powder in food and pharmaceutical industry, such as coffee, spice, milk powder, tea powder, herb powder etc.

### **Features:**

◆ Reciprocating envelope film pulling structure for bag better appearance, smooth and even sealing.

**Parameters:**

<b>Model</b>	<b>KST-300</b>
Working Capacity	20~50 bags/min ( decided by filling quantity and film material )
Filling Range	1~200 g
Feeding System	Slant auger + mixer
Feeding Capacity	3~5 Kg
Film Width	50~280 mm
Finished Bag Size	W 25~140mm; L 30~200 mm
Sealing Type	Pillow sealing (back sealing)
Sealing Method	Heat Sealing
Driven Type	Electric (pneumatic will be asked if special round corner bag)
Voltage	220V Single phase 50/60Hz
Power	1.6 Kw
Weight	250 kg
Overall Dimensions	L 1020 * W 730 * H 1800 mm
