

## *Shrinking Packing Machine BS-6040PE*

Designed for large and heavy packager. Roller or mesh type conveyor can be designed according to customers requirement.

Large materials also shrinking completely in short time. Suitable for all shrink films such as PE. POF. PVC.

### **Technology parameters**

<b>Model</b>	<b>BS-6040PE</b>
Power Supply	AC 380V/50Hz/3Phases
Power Consumption	Less than 18KW adjustable
Sealing Size	Lxxx*H500*W300mm
Conveyor loading	35kg
Conveyor Speed	0-12m/min
Material	PVC PE POF PP
Shipment Dimension	3000*970*1400mm
G.W	200kg
