## *SH-ZHJ50D Semi-automatic Soap Cosmetic Serum Face Cream Bottle Paper Boxes Vertical Cartoner Lotion Tuck-in Closing Machine Packaging Equipment*

### **Main Feature**

- ▶ Vertical cartoners have a more compact footprint as they utilize vertical space. This makes them ideal for facilities with limited floor space.
- ▶ This cartoning machine can handle a wide range of product sizes and shapes with quick changeovers. It is specifically designed for factories with multiple box sizes and small batch quantities
- ▶ Can be easily integrated with other packaging equipment like over wrappers, coders, etc. in a single line.
- ▶ Hot gluing function, bottle feeding function and leaflet inserting function can be customized as production need
