

## Labeling Machine CPTB-160

CPTB-160 is designed strictly according to pharmaceutical GMP standard and technological requirements. The whole machine's running is quite simple and equips with the automatic stop system for absent and choked bottles, automatic running with bottle feed-in. Especially it adopts the frequency conversion technology to control the electrical system which makes the user set the output freely and provides the convenience in whole production procedure.

### Technical Parameters

Model	CPTB-160
Max. Capacity	120 Bottles/min
Size of Container	50-500ML
Size of Label	Length 25-200 mm Width 25-90 mm
Voltage	AC220V / 50HZ
Power	2000W
Overall Dimension	2000 (L)×1150 (W)×1650 (H) mm
Weight	300 kg
