

SFPT-1 Semi-auto Round Bottle/Flat Surface Labeling Machine

Feature:

- The machines are controlled by a PLC pneumatically and electrically, easy to operate economically and practically.
- The machines are compact, multifunctional and simple to change labels.
- SFPT-1 can automatically attach a label to a bottle by properly positioning it and pressing the foot switch.

Application:

- SFPT-1 is used to label flat surfaces of different products.

Technical:

ITEMS	SFPT-1
Power	AC220 50/60Z 60W
Labeling accuracy	±0.5mm
Label size	W : 12-100mm L : 15-125mm
Label core	φ75mm
Production capacity	0-40 (Bottle/min)
Pass rate	≥99%
Host size	635×320×600mm
Packing size	725×400×600mm
Weight	25kg
