

HDL-160B Bucket Chain Semi Automatic Packaging Machine

Product description:

Suitable for brittle material, potato chips, crispy rice, apple slices, jelly, etc

Features:

- 1, Artificial metering feeding
- 2, Chain bucket conveyor convenient delivery or a variety of packaging materials.

Specifications:

Type	HDL-160B
Film width	320mm
Bag length	30-200mm
Bag width	50-150mm
Weasuring range	50-500ml
Film roll diameter	Max.300mm
Pakaging rate	30-80bag/min
Power	220v 50/Hz 2.2KW
Packing film thickness	0.04-0.08mm
Machine weight	About 350KG
Packing Material	0PP/CPP/OPP/CE,MST/PE/PET/
