

FND®

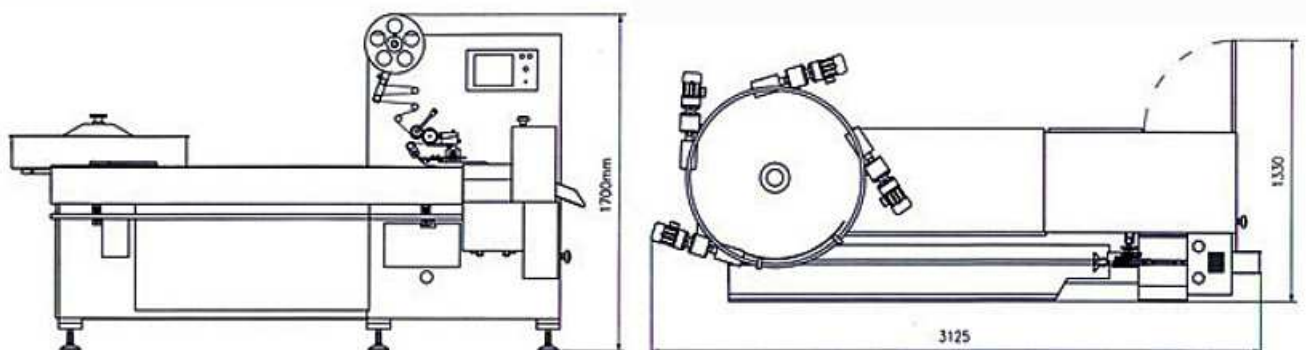

Multifunction Servo Pillow Wrapper FND-H2000

Machine for die forming, depositing sweets, lollipop, chocolate, biscuit, wafer, custard cake.

Characteristic:

- Soft-PLC program control
- Servo drive
- BANNER photoelectric sensor
- Precise process of latitudinal & longitudinal sealing
- High cutter tool life
- Good accessibility for cleaning & maintenance
- Match with eccentric adjustment

Technical specifications:

Product size	Length: ≤165mm Width: ≤40mm Thickness: ≤18mm
Wrapping material	CPP/PET CPP/BOPP
Drive motor	3.6KW(AC380V 50Hz)
Speed	600pcs/minute
Net weight of the machine	890KG
