

Plastic Bottle Blow Moulding Machine XLB-06CE

Pet Blowing Bottle Machine. We manufacture every set of equipment with 100% attention. We keep promise to every client using best quality of material, advanced technology, and famous brand of accessories such as PLC, motor, etc. In addition, if you have any questions of our machine, please kindly feel free to contact us.

Product Description

The Plastic Bottle Blow Moulding Machine is equipped with advanced process, which has longer service life for use and there is no special need of maintaining. Due to the proper size and compact design, it can be placed everywhere in order to help release space of limited places.

The Plastic Bottle Blow Moulding Machine can be an ideal facility mainly used for carbonated beverage bottles, mineral water bottles, cosmetic bottles, oil bottles, space cup, Medicine bottles and blowing bottles. Plus, it plays an important role in beverages, dairy products, spices, medicine, chemical industry and so on. It is also available of high speed operation.

Technical Parameter:

Model	XLB-06CE	
Theoretical output	6000-8000 pcs/h	
Finished bottle	Max. bottle volume	1.25L
Max. neck diameter	40mm	
Max. bottle diameter	108mm	
Max. bottle height	330mm	
Mold specifications	Cavity	6 cavity
Mold thickness	120mm-230mm	
Open stroke	240mm	
Electrical system	Power voltage	380v/3Phase/50HZ
Installation power	60kw	
Actual power consumption	50kw	
Air source	Recommend air compressor	1.0m ³ /min 30Kg
Cooling water	Recommend water chiller	5HP
Blower size	Length*width*height/weight	6200*2280*2160mm/620kg (2 sets)
