

NJP-series Automatic Capsule Filling Machine

The machine is suitable for Powder, Granular and Pellet filling etc, special for Capsule size from #00 to #5.

It is ideal equipment for filling capsule drugs and meets GMP standard.

Features

Automatic capsule filling machine adopt PLC control system, human-machine interface, when running malfunction or lack of stuff, automatic alarm, malfunction display, automatic dismiss alarm.

And with functions of password setup, touching screen display, automatic parameter setup, data printing, reset, etc.

1. The working station cam runs under the good lubricating condition, and maintains the inner lubrication of cam slot to a full extent, increasing the pressure pulverization oil pump, thus extends the operation life of the spare parts.
2. It adopts enlarged Cam, LTPM CHINA has become the one who matches the cam of RU100 to Ru83, while it enhances the stability of the machines and extends the life of the machines to a great extent.
3. It is controlled by the computer, has a stepless timing with the frequency-conversion, the numeral showing makes an easy operation and clear appearance.
4. Automatic Capsule Switch operated by Touch Screen avoid Dangerous Accident happens when open the switch by hand into the working station.
5. Our quality machine use Tanshing Cam box, in automatic capsule filling machine area Honest Business is the most important; Because Customers can't see the mechanical parts inside. So our company can promise we use the real type but never "labeling type".
6. Add the extra function of capsule control switch. (Control the capsule outside of the machine; it is more safely and quickly).
7. Add the click-moving control system, makes an easier operation and clearness.

Technical Parameter

Model	NJP-400	NJP-800	NJP-1200	NJP-1500
Capacity	400/min	800/min	1200/min	1500/min
Capsule size	#00 - #5			
Power consume	3.2kw	5.5kw	5.5kw	6.8kw
Quantity of mould bores	3pcs	6pcs	9pcs	14pcs
Noise standard	< 75dB(A)			
Weight	900kg	1000kg	1050kg	1300kg
Size (mm)	660*800*1750	700*900*1850	1020*870*1980	1500*1040*1970
Warranty	5 years
