

Automatic ODF Strip Pouch Packing Machine

ODF Strip Pouch Packing Machine is designed for packaging micro-small film products.

It is suitable for items like oral instant tablets, band-aids, and similar materials.

Technical parameters

Items	Parameter
Maximum Punching Speed (Standard 45*70*0.1mm)	Aluminum / aluminum 5-40 times/min
Packing Film Width	200- 260 mm
Materials Width	100-140 mm
Heat Sealing Heating Power	1.5KW
Total Power	Three-phase five lines 380V 50/60HZ, 5.8KW
Air Pump Volume Flow	20.25m ³ /min
Packing Material	Heat-seal composite film thickness 0.03-0.05mm
Overall Dimensions (L*W*H)	3400*920*2000mm
