

DXDP 350 Strip Sachet Packing Machine

The machine is applicable for tablet, capsule and irregular shapes of pharmaceutical for single or several pieces package with lightproof double-aluminum, which is featured in small size, compact structure, smooth and reliable operation, high production efficiency.

Features:

1. Automatic control, step-less speed regulation;
2. Executive mechanisms of sealing, printing, tear-off-line, cutting, feeding featured in easy adjustment, safe and reliable operation;
3. New structure, diversified configuration meet client's different requirement.
4. Option: eye-making tracking, detection and eliminate unit.

Technical Parameters:

Item		DXDP350
packing film	maximum width	360mm
	thickness	0.07-0.1mm
maximum packing capacity		1000 pcs/min
maximum cutting times		45 times/min
packing film inner diameter		Φ70-Φ76mm
compressed air pressure		0.5-0.6 Mpa
air consumption		1L/min
power source		380V, 50hz
total power		3.5kw
overall dimension (LxWxH)		1400x1200x1900mm
weight		1000kg
