Technical Parameters

Product Name	Automatic liquid packing machine
Voltage	110/220V,50/60HZ
Power	380W
Packing products	Chili sauce, sauce, liquid, honey, tomato sauce, sesame paste, salad dressing, mayonnaise, oyster sauce, vinegar, edible oil, milk
Bag Sealing type	3 sides sealing/back type sealing
Filling range	5-50ml, 10-100ml, 20-200ml, 50-500ml, 100-1000ml, 200-2000ml
Bag making length	not limited
Bag width	less than 15 (customized)
Filling precise	0.2g(according to products)
Packing speed	10-35 bags/min
Machine weight	150KG
