

## ***LDFS-480G Automatic Chicken Essence Seasoning Powder Mix Spice Sachet Filling Packing Machine***

It is suitable for many kinds of powder products, such as spice powder, medical powder, chemical powder, chicken essence, seasoning powder, milk powder, coffee powder, glucose, medical powder, nutrition powder, etc.

### **Features:**

1. Full stainless steel 304 materials, generous and durable, simple cleaning.
2. Small fuselage, high production capacity. This equals 4 small single-lane machines working at the same time, but occupying only one machine space.
3. Swinging cup filling, high accuracy, and easy to adjust the cup volume.
4. Servo control film pulling and sealing, accuracy cutting to ensure a nice sealing effect.
5. Intelligent counting function, one button to set quantity and times on touch screen, perfect connect back-end, improve efficiency.

**Specification:**

Model	LDFS-480G
Production capacity	Max. 210 bags/min
Diameter of the film roll	Maximum 300mm
Bag width	35-60 mm
Outer bag size	The longest 120mm widest 60mm product packaging
Air pressure	0.5-0.7Mpa
Machine noise	Less than 80db(A)decibel
Heating power	2.8 Kw
Total weight of the machine	300KG
Machine size	950mm*1470mm*1750mm
