

SUNHAN

SH-RPFS120X Automatic Vertical Rotor Lobe Pump Large Volume Mayonnaise Salad Sauce Sachet Paste Filling Sealing Packaging Machine

Main Feature

- ▶ Filling is controlled by rotor lobe pump, suitable for filling paste material like mayonnaise, salad sauce, cream, etc.
- ▶ Customizable inclined sealing, back-side, three-side and four-side sealing are optional.

Parameter

Machine model: SH-RPFS120X
Machine voltage: Three-phase four-wire 380V 60HZ 8KW
Filling range: 500-1000g(Can be customized)
Feeding pump: Rotor Lobe Pump
Sealing type: Inclined Cutting (can be customized)
Packaging speed: 12-18 bags/min
Bag size: 200-450 mm(L, sensor controls)*95-120 mm(W)
Bag material: Heat sealable bags
Hopper size: About 900*900*650mm
Air Pressure: 0.7MPa 0.3m³/min
Machine size: About 2390*2660*2000 mm
Machine weight: About 400 kg
